THE PROMOTION OF CONSCIENCE AND THE CULTURE OF PEACE WITH LOVE

The Resolution Concerning Conscience:

The United Nations' Resolution vide **A/RES/73/329** of the United Nations' Charter, which is commonly known as World Charter.

The Depiction Of Conscience:

The psychological state of scientific and philosophical equanimity (Tie-in) acts as conscience, through a set of irrevocably logical principles; intended for collective well-being. This is known as tenets that is central principles.

The Domain Of Conscience:

The psyche of humanity acts through intellectual dominance over instinctual reflects, under the domain of conscience. Thereby the psyche of peace with love acts through the unitarity of subtle-feelings and trust, under the domain of humanity; not affecting sustenance and survival that is defence. This is the universal law of defence as opposed to animosity, animality and offense.

The Dictum Of Conscience:

The Vedic sense of *Pragyan* is identical to English dictionary form of **conscience**, which inwardly reciprocates the wisdom of ubiquitous unitary wholeness; communicating the unitarity of time and energy of time and energy transposition, under the domain of **ঐশা (Íša)**.
