VEDIC AXIOM AND MY POLITICAL IDEOLOGY

STATEMENT:

Under witness to Vedic Axiom vide supra; my axiomatic political ideology is 'Meritocratic Moralized Democratic Socialism' that is Vedicism. Without axiom, political and socio-economic justness remains unstable forever; consequential to absence of politic, as a result of no-axiomatic guidance for heterogeneity.

VEDIC AXIOM AND MY POLITICAL IDEOLOGY

AXIOMATIC EFFECT ON POLITICAL AND SOCIO-ECONOMIC JUSTNESS AS FOLLOWS:

- First.** SOVEREIGNTY effectuates by **Axiomatic Ideology**, predominantly by the scientific and philosophical equanimity of merit, with stringency of conscience (Person's moral sense of right and wrong) of the entirety, enriched by tenets (Central principles). Sovereignty consequences both policy and protection for heterogeneity.
- Second.** FREEDOM effectuates by **Civics** (Policy oriented Rights and Duties), predominantly by way of scientific and philosophical disintegration of merit, with consciousness (State of being aware of and responding to one's surroundings) of the entirety, without conscience. Freedom consequences protection for heterogeneity.
- Third.** LIBERTY effectuates by **Will** (Policy oriented Rights, ignoring Duties), cautiously (State of being careful to avoid possible problems and/or dangers), without consciousness and conscience of entirety. Liberty solely consequences policy and protection of homogeneity.

NON-AXIOMATIC EFFECT ON HUMANKIND AND CIVILIZATION:

The promotion of conscience (Person's moral sense of right and wrong) without or avoiding axiom and/or axiomatic rationality leads to **Moral-Death**. The moral-death consequences intellectual absence of politic and prudence, which further results the rise of **Frailty** (Weakness in character or morals) and **Debased-Civilization**, as opposite to morally ruled society that is Civilization. As instances; most condemnable policies of Divide and Conquer and Coercion can be exemplified.
