THE ORDINANCE IN THE ROLE OF BEING THE LAW

UNDER WITNESS TO THE ORIGIN OF TENETS:

The scientific and philosophical equanimity of mind (*Yoga*) originates the counterproductive ability of the scientific and philosophical tie-in, under the domain of the wisdom of 4th dimension that is known as ameliorated mind-set. Therefrom the counterproductive ability of scientific and philosophical tie-in originates **tenet**, since Vedic Era.

AND UNDER WITNESS TO THE IMPORTANCE OF TENET:

Tenet (Central principle) is the qualitative-title of intellection of moral values, enriched by **discreetly constant logic** of eclecticism, towards caring progress of **civilization**, as mnemonic under the domain of the aforesaid origin of tenet.

Tenets determine civics towards caring progress through state-of-mind of the civilization. Therefore tenets are **code of civics** being core value of civilization.

Tenets individually or collectively transposes into **constitutional preamble** or preface or proclamatory prime obligation of the union of humankind.

The constitutional preamble determines multifaceted morals that are known as **mandates**, in compliance with the ruling of concerned tenet/s.

Mandates individually or collectively defines policies that is known as **articles**, whereinto articles transposes into multifaceted **law**, as the tool of governance duly protected by **judicature** that trailed civilization, showing no prejudices for or against anything, intend for collective well-being of humankind.

The multifaceted law determines justifiable **punishment** to the extent of death penalty (Capital punishment), as per intense need or emergent need to protect Tenets; in that sense to protect Humankind through **judicature** that holds the merit of tenets and trailed civilization by the application of **justice**.

AND UNDER WITNESS TO THE TABLE OF TENETS:

TENET	IMPORTANCE
"Íŝa"	Assigns both endless extents of tininess and vastness of entirety that is infinity (∞), enforced by the application of the mathematical law of cross referential division followed by addition.
"OM" (The Universal Constant)	Assigns the spin-of-singularity of the unitarity of time and energy, enforced by the mathematical law of decimal method, pertaining integrally continuant neutral that is the Zero, as constant by the wholeness of the tenth . That is the " <i>decimus</i> " in latin.

THE ORDINANCE IN THE ROLE OF BEING THE LAW

TENET	IMPORTANCE
<i>“Satyagyanamanantam Brahama”</i> (Introduced by me)	Assigns the unitarity of space, time and energy as the spin of singularity; enforced by The Law of Universal Constant; imparted dual discreetly constant logic of both the endless extents of tininess and vastness of entirety, stand in with the factor that energy neither created nor can be destroyed nor can be divided as a whole. That is the <i>“atomos”</i> in greek.

AND UNDER WITNESS TO:

The Ordinance dated: 22nd October, 2021 issued by the undersigned authority.

THE ORDINANCE IN THE ROLE OF BEING THE LAW AGAINST MASS HOMICIDE:

I am exercising my counterproductive ability of the scientific and philosophical tie-in and worldwide I am deactivating all kinds of activities pertaining nuclear weaponries, together with the ruling for defensive death penalty against both the motivated target and motivational target of any kind, aiming or making an attempt to commit mass homicide; encouraging disarmament as desired.

With this I would like to remind the world civilization that tenets are enforced for the action of understanding the Law of the Universe, through the Universal Constant (Wisdom of 4th Dimension), intend for attributing justice for and on behalf of Time; showing no prejudices for or against anything AND with this I am handing over this ordinance to United Nations Security Council that newly constituted by me (The undersigned authority), for effectuation.
