IN COMMEMORATION OF

THE INTERNATIONAL DAY OF CONSCIENCE

MATHEMATICAL EQUATION:

With the standpoint of the absolute index of balance; imparts the dual logic of both the endless extents (∞) of minimal value and maximal value, duly stand in with the factor that energy neither created, nor can be destroyed, nor can be divided, as indicated by the indivisible Zero (0) as the law of wholeness; yet dividing Zero by the Factor of Human Rights, as a example:

$\sqrt{-1} = i$, resultant to polar division of the zero (0) ?

$\sqrt{-2} = \text{you}$, resultant to polar division of the zero (0) ?

$\sqrt{-\infty} = \text{we}$, resultant to polar division of the zero (0) ?

QUESTION:

Do you all agree with the equation?

CAUTION:

If you agree with the equation; then you will be automatically deprived from moral righteousness, by your own.

If you disagree with the equation; then automatically you will be deprived from human rights, by your own.

THIS IS TO BE NOTED:

That moral righteousness is the one and only reflection of the Sublimeego. That which is impossible by moral righteousness cannot be possible by the Sub-conscientious mind, forcibly by the excuses of Human Rights OR there will be no Rule of Law, neither in science nor in philisophy nor anything else, concerning civilization.

That Sublimeego is the Sixth Sense that imparts conscience, which has been well defined by Bēda.
